

# The Perkins-at-Home Program

“Putting a Perkins brailler into the hands of every (braille-using) child.”

**Eligibility:** Children aged 2 1/2, up to and including the last year of Grade 12; must be currently using braille, or learning braille for literacy

**Restrictions:** For residents of North-Central Alberta only; family responsible for maintenance; family must be ASVI members (please include a \$5 annual fee if 1st time member or not current)

Unless otherwise requested, all Perkins will be the standard model; colour may vary (e.g. blue, green); limited time offer – while quantities last

This Perkins is for home use only – please return if no longer needed!
